

School Consultation Services

Your Partner in Special Education Success

At Triumph Center, our special education consultants work alongside district administrators and educators to meet students' unique needs while supporting overall district goals. We bring expertise, collaboration, and practical solutions to help districts navigate complex challenges in special education.

What We Offer

✓ **Program Development & Evaluation**
Support in evaluating and enhancing special education programs to align with district initiatives.

✓ **Professional Development & Training**
Tailored workshops and ongoing training for special education staff.

✓ **Case-Specific Consultation**
Personalized guidance for individual student cases to ensure targeted interventions.

✓ **Direct Student Services**
Opportunities for our consultants to work directly with students in specialized settings.

Collaboration That Works

Our services are delivered through:

- ✓ Regular consultation meetings with district and school staff
- ✓ On-site professional development sessions
- ✓ One-on-one coaching and mentoring for special education teams
- ✓ Student-focused interventions and observations

Our **evaluation team** can also provide on-site psychological and neuropsychological evaluations, collaborate with educators, and offer follow-up consultation to address unresolved concerns from previous evaluations.

Why Partner with Triumph Center?

With decades of hands-on consulting experience and deep knowledge of research-based best practices, our team offers practical, impactful strategies that improve outcomes for both students and districts.

We help you uncover solutions, strengthen programs, and ensure every student has the opportunity to succeed.
